In his letter no. 189/30-31 dt 17-9-30, the pdt, Kader Kbd forwarded for sanction the revised Office Kbd to entertain one attender & one sweeper on Rs 15/- each p.m. and one sweeper on Rs 10 per mensem for the Kbd Office.

K Among the provisions in the Budget for the Kbd for 30-31 that were deleted with a view to reduce the Kbd recurring charges, the provision of Rs 480/- for the additional menial establishment referred to above was also deleted. Dear Mr. Subbrahmanya Sastri,

Your D.O. letter No. L. 3742/L.B. dated 5th instant informing me of communication of Government's sanctions towards several proposals of the Board officially I am in due receipt of them. Thanks.

I am surprisingly sorry to observe that the proposal for the entertainment of the menial staff has been rejected by the Government. In this connection, I must invite your kind attention to my letter No. L.B. 190/30-31 dated 31-10-1930 addressed to -- Mr. R. Ranga Rao, copy of which is herein enclosed and I want you to realise my position. As I explained therein, I thought, as I think even now-that the proposed staff was an absolute necessity.

What is worse, I have already appointed one Attender and Daffedar thinking that Government would not object, in the face of the Board's unanimous approval of the proposal and of the prestige and degnity of the President's office which makes it incumbent on it to have them. Government's disapproval was never expected in such an ordinary matter.

Having appointed t... ... confid
Governments approval I have no other alternative now but to make a personal request to Government to save me from aukwardness to which I would be put otherwise. Please realise my present situation caused by the steps I have taken in appointing them under the -- circumstances explained above and place before the Government my this request in such a manner as would secure to it their approval as a special case.

Thrusting I will not have appealed to Government for special consideration of my this request in vain.

Yours sincerely,

To
V. Subrahmanya Sastry, Esquire., B.A.,

OFFICE OF THE PRESIDENT
KADUR DISTRICT BOARD

HOSAKOPPA KRISHNA RAO
PRESIDENT

Chikmagalur 31st Oct. 1930.

Dear Mr. Ranga Rao,

I suppose you would have observed that it was proposed in the Board's Budget to entertain a few additional menials such as one Daffedar, one Attender and one sweeper in the office. The former two are an absolute necessity for I have been experiencing a great handicap to conduct the office with prestige and dignity. I have waited these four long months and cannot manage without them. The Board has already approved and I was only waiting Government's approval before I could have them. I am feeling the want. An Attender and an Office Daffedar cannot at all be held to be items which Government could think of rejecting. They are an absolute items in an office like District Board President's as Officers much below the status of the President of District Board have them.

I am appointing them in anticipation of - Government's approval since all legal formalities required therefor

therefor have already been furnished to Government and it only requires Government's approval which I dare say will not be refused by Government.

Awaiting Government's favour.

Yours sincerely,

Sd/- Hosakoppa Krishna Rao,

President,
